

NEW OPPORTUNITY FOR ALL LOCAL NON-PROFIT ORGANIZATIONS!

WHAT? Your organization can have exposure at the Howell Area Chamber of Commerce's **LIVINGSTON COUNTY HOME & GARDEN SHOW** throughout the entire weekend, March 23-25, at the **New RESOURCE FAIR**.

Non-profit vendor tables will be available in the Howell High School Fieldhouse, in the hallway adjacent to the entryway / locker rooms. We've arranged it so the back doors to the Livingston County Home & Garden Show will be monitored by volunteers for enhanced visibility and traffic flow to the non-profit area.

Tables can be unmanned the entire weekend. (Livingston County Home & Garden Show volunteers will oversee and replenish materials, and straighten tables as needed.)

COST: \$25 per skirted 6' table—which is direct cost. *(Checks must be made payable to the Howell Area Chamber of Commerce.)*

SET UP / TEAR DOWN: Set up is Friday, March 23 from 3-4:30 p.m., tear down is Sunday, March 25 from 4-5 p.m. Booths are required to be displayed for the weekend.

TO REGISTER: Contact either Jeanne Clum or Tracy Dudansky at the Livingston County United Way, 810-494-3000 (jclum@lcunitedway.org or tdudansky@lcunitedway.org) for more information. *Table assignments will be first-come, first-serve.*
