

Did you know that 8 out of 10 car seats are installed incorrectly? Car crashes are the leading cause of death in children ages 1 to 14.

**Is Your Child is Riding Safe?
Come Find out February 16th @ LESA
from 6-7:30.**

**Great Start Parent Coalition is bringing
in Carrie Shrier from Safe Kids.
She will share all the new recommendations from
the AAP!**

FREE DINNER & CHILD CARE

Over 95% of car seats inspected in Livingston County have been found to be used or installed incorrectly, or otherwise unsafe (recalled, broken, damaged, expired, etc.).
