

PARENT CAFÉ

**February 21st
6 to 7:30 pm**

What is a Parent Café?

A Parent Cafe is an exercise in communication. Talking, learning and listening. Together, parents can come up with the solutions to our problems and resolve difficult family issues — and build deep, useful friendships along the way. You can start connecting with other parents to strengthen your family now. A Parent Café gets the conversation going for friends and families, and with the Café, the conversations don't ever have to stop.
